

THE BEST OF THE DAO OF DOUG

"Step down for *open sesame*
when the green lights are on.
Please move back, we need theses
seats for seniors. Please take the
next car, this coach is full." It had
been another busy day on the 14
Mission. My last trip inbound to
the Ferry, and then I am done!

It's been shown that a drop of
water changes when we focus our
attention on it. So too with how I
look at my passengers. And how
they view me. Words are the least
